KollektivO

FOR COMPANIES

The benefit your team actually talks about.

Up to €50 per person per month as a benefit in kind – spent via app at shops in Lusatia. No platform fee, no cards, no paperwork.

Your advantages

Designed for § 8 EStG

Benefit in kind of up to €50 a month under § 8 (2) sentence 11 EStG – agree the details with your payroll team.

No platform fee

No setup, no per-head licence. You only pay the credit your team receives.

Unspent comes back

Whatever is left at month end is offset against the next billing.

No cards

Nothing to order, ship or block – everything runs in the app.

Payroll export included

All benefits documented and exported for payroll and tax advisers.

Regional impact

Every euro ends up with shops in Lusatia – where your team lives.

2

Contract & debit
Lean contract, SEPA mandate.

3

Invite your team
Email invitation with a personal code.

4

First credit
On the 1st the credit is in the app.

How it works

- Credit is collected by SEPA direct debit at the start of the month.
- Employees pay with a code in the app (Face ID or PIN).
- Partner shops scan the code – done.
- Unspent credit is deducted from the next collection.

The company portal

- Invite, pause and end team members
- Set the amount per person
- Monthly overview and statements
- Export for payroll

General information, not tax advice. Your tax adviser makes the tax assessment for your company.
